The initial planning for the 2012 Great American Pony Drive has ended. This year's Pony Drive will start south of Washington D.C. travel the back roads to Charlottesville, Lynchburg, Richmond and Williamsburg, VA. Then we'll head to Elizabeth City, travel the Outer Banks, then make our way to Jacksonville NC, and end the cruise at Myrtle Beach during Mustang Week. More stops will be added as plans are finalized. As with all Pony Drives, Mustangers can join for entire trip or just part of the Pony Drive. Hope to see you there!

What do you need to do to join the fun?

- Drive a Ford Mustang!
- Contact David Turnbull or Lucy Carroll that you want to join in the fun and attend the 2012 Southeast Coast Pony Drive.
- Cost is \$50 for annual club membership dues and a \$50 registration fee for Pony Drive incidentals and a Cruise Ending Farewell Party.

Remember, as with all Pony Drives hotels are planned and prices are negotiated by the club in advance. When the hotel list is released you must call each hotel and make your reservation.
